

PRE-AUTHORIZED GIVING AT ST. JAMES CATHEDRAL

WHY YOU SHOULD CONSIDER PRE-AUTHORIZED GIVING

Pre-Authorized Giving (PAG) is the easiest, most efficient way to give to the Cathedral. In PAG, monthly withdrawals are made from your bank account or credit card to the Cathedral. You can cancel or change your commitment at any time.

HOW IT HELPS YOU

By filling out the attached form now, you can make regular payments to the Cathedral effortlessly. No more fumbling for cheques or cash on a Sunday morning, or worrying about contributing while you're on vacation.

HOW IT HELPS THE CATHEDRAL

PAG saves us significantly in labour costs (1.5 staff hours a month to process PAG donations, versus 13 to process cash and cheque donations). It helps us forecast our revenue for the year and gives us a dependable flow of cash, especially when Sunday attendance fluctuates.

HOW DO I SIGN UP?

WHAT DO I PUT ON THE OFFERTORY PLATE INSTEAD OF MY ENVELOPE?

Green bookmark tokens may be found in the baskets at the back of the Cathedral each Sunday. Pick one up and place it on the offertory plate to indicate that you are a PAG donor.
