

THE SUNDAY PAPER Year C 7th SUNDAY of EASTER

When Jesus was glorified, he was with his friends in a new way. We say that he ASCENDED, or "went up" to Heaven. He is no longer in just one place at a time, because he is with God. We say that he is "at God's right hand." That means that Jesus shares God's power and glory. He is part of God. Just like God, he is everywhere. So he is always with us. The love he gave us is always with us. His Spirit in our hearts gives us his love and strength and new life. We can love him and thank him, and do his work and get ready for his wonderful Kingdom that will last forever!

Before he died, Jesus prayed for everyone who would ever believe in him. He asked God to fill them with his love!
