The last Sunday in the Church's year is called the FEAST OF CHRIST THE KING. "Feasts" are special celebrations, and this Sunday we are celebrating because Jesus is our King, and the King of the whole world. We think back, to God's ancient people and how they chose kings to lead them and keep them safe. We think of how they waited for a very special King, the Messiah. We think of how Jesus came to be that King. And we think ahead, to the time when he will come again, to be King of all, forever!

Jesus was not a mighty king with an army. He died all alone, on a cross. But now we know that his love for us is the strongest, most powerful thing in the whole universe!
