Jesus came to do many things. He came to show us God's love, and to teach us how to live as God's children. He said God's Kingdom was coming for us, and told people that their sins were forgiven. He healed sick people and fed the hungry. But the Bible says that most of all, he came to die.

We believe that Jesus's death and new life set us free from sin and death. We believe he did our dying for us, and took our sins and our punishment on himself. He did this with such perfect love and obedience that death could not hold him. He came back to life, and his new life is different and wonderful and lasts forever, and he shares it with everyone who believes in him!
