- Connect with newcomers and newly baptized – invite their participation in small groups
- Develop materials for visitors which introduce Christian faith through aspects of the building, its history and architecture
- Occasional “did you know?” short teaching pieces in *Connections* (e.g. making the sign of the cross; anointing, prayer)

IN ADDITION

- The role as expressed here is a demanding one. There is no sense that this is all the responsibility of the Canon Missioner alone, nor that each of these areas need to be prioritized from day one. Priorities, plans, and teams will be developed over time. Additionally, future staff changes may create the opportunity to sharpen or shift responsibilities to some extent, depending on the gifts and passions of the postholder
